**NOTICES**

**Father Moses**

**Today** is the first Sunday in the month when we make a collection for Father Moses in Wa in the Upper West Region of Ghana. We have committed ourselves to each sending a minimum of a pound but if you are able to give more it would be gratefully received.

Father Moses works in a very poor part of the world but does a wonderful job in bringing people to Christ and looking after them. He does, however, need to travel to some remote parts of the country where the roads, if any, are very poor . He needs a 4x4 vehicle to do this, as you can imagine it is not a new vehicle and needs a high degree of maintenance . By sending him these funds you help keep him on the road, looking after those in his parish and Archdeaconry.

May God Bless you for your kindness and willingness to help fellow Christians in need .
